gift bags.

Fall 2019

Richland Pregnancy Services Quarterly Newsletter

Letter From The Director

As Psalm 1:1 is continually rolling around within my heart lately, I cannot help but think about how Richland Pregnancy Services is blessed because we delight in the Lord, and we do not conform to the world around us. We live in a day in which abortion is considered healthcare and the work we do can be ridiculed by politicians and celebrities. Despite the attacks from organizations and individuals that seek to try to find fault in our work and values, we stand. We stand firm on the Word of God, and our hope is in Him.

*Blessed is the man
that walketh
not in the counsel of the
ungodly, nor standeth in
the way of sinners, nor sitteth
in the seat of the scornful.
But his delight is
in the law of the Lord;
and in his law doth he
meditate day and night.*

Psalm 1:1

We know that as we seek His perfect will for this ministry, He will continue to lead us and protect us. Not only will we stand, but I predict that we will see an even greater impact in our community because of the ministry of Richland Pregnancy Services. I am already witnessing this firsthand with an increase in male clients enrolling in the Dad-to-Dad Mentoring program.

A young woman may come through our doors considering an abortion, but through the care and compassionate hope that we can offer, our prayer is that she would chose life for that baby through parenting or adoption. Then, if parenting is the chosen option, we want to stay alongside her for two years if she and the father need our support through Mom-to-Mom Mentoring, Parenting Classes, Dad-to-Dad Mentoring, and our boutique full of baby clothing and supplies.

Richland Pregnancy Services is not settling with only saving the lives of the unborn. That's part of our mission, and each life saved by our center is a reason to celebrate! We love life! We

love babies! However, our mission is not complete there. We want to come alongside that mother and father and help them be the best mom or dad they can be to that precious child. We want these families to experience the abundant life in Christ that is waiting for them no matter what their life has been like in the past.

I am looking forward to working with you, our donors, our supporters, local churches, and local outreach ministries to share the message and demonstrate the compassion of being pro-abundant life so that lives of the unborn children will be saved and families will strengthen as they grow in Christ!

Many Blessings,
Amanda Clark

God is Good

By Lynn Ernsberger, Client Service Director

We have had a year full of major transition thus far and through it all, the Lord has been faithful! He has given us the strength, stamina and wisdom to continue to move forward and to make a difference in the lives of people who walk through the doors of Richland Pregnancy Services.

I have personally witnessed dads who continue to come week after week to meet their mentor dad. I have answered phone calls from those who are desperate for help, support and answers to their questions. I have also heard them say goodbye with a sense of relief in their voice as they begin to realize there really is someone who can help, and more important, who cares. I have watched moms and dads walk in with apprehension written all over their faces and walk out smiling as they share the ultrasound pictures of their baby! I have watched as mentor moms go the extra mile to meet the needs of girls seeking help. I have

watched individuals be as excited about receiving a certificate with their name on it as they were about receiving a car seat or crib upon completion of the parenting classes. I have been here when moms have decided to parent their child rather than abort. I have had the honor to celebrate with volunteers who have shared the Gospel of Christ and have had someone accept Christ as Savior. I have seen prayers answered and I have seen lives saved! I have witnessed the love of Christ in action on a daily basis at Richland Pregnancy Services.

I give praise and thanksgiving for all who help make this happen!
