

Behold, children are a gift of the Lord. The fruit of the womb is a reward. Like arrows in the hand of a warrior, So are the children of one's youth. Psalm 127: 3-4

LETTER FROM THE EXECUTIVE DIRECTOR

"Remember the wondrous works that he has done, his miracles and the judgments he uttered," 1 Chronicles 16:12

Amy Kahl | Executive Director

On July 7th, 2025, the first wall came down for the RPS renovation project: ***Raising Up a Future Hope***. In the excitement of this new day, it can be easy to forget how we got here.

Take a walk with me through RPS history...

In 1986 God laid it on the hearts of a group of men and women in Richland County to open a "crisis" pregnancy center. While they may not have known the full impact back then, they were laying the foundation for a medical facility that would save the lives of thousands of babies while introducing their parents to the love and mercy of Jesus Christ.

In the early days of the ministry, RPS provided free pregnancy testing and motherhood mentoring support to women as well as parenting classes for moms and dads.

Just 10 years later, RPS moved into the Trimble Road location that we would call home for the next 18 years. In those 18 years God fortified the ministry through those who gave of their time, treasure and talent. It was during this time that RPS began providing ultrasounds, STD testing, abstinence education, Dad-to-Dad mentoring and opened the RPS Boutique to provide material support.

In 2014, RPS purchased our first building, our current location. The building was renovated to fit the needs of the ministry at that time. In 2021 RPS' growth exceeded the constraints of the building but God had gone before us! Our current building had space to expand! As we watch the new walls go up it is exciting to consider the lives that will be impacted and changed forever because of what happens here.

It is your commitment to seeing women and men in our community be introduced to abundant life in Jesus that we can continue this life saving work every day. Your partnership impacts eternity. Thank you.

Amy Kahl

Executive Director

MINISTRY AND COMMUNITY

Richland Pregnancy Services is a Christ-centered ministry that provides services to individuals faced with an unplanned pregnancy, and is dedicated to promoting the sanctity of human life and sexual purity. We walk alongside women and men in a time-sensitive manner. Churches are an important part of the ministry. They connect clients to communities who support, encourage and disciple them. RPS appreciates the opportunity to speak to church congregations, letting them know how their church community can create a welcoming, safe environment for those who find themselves unexpectedly pregnant. Many women may be afraid to bring up their situation due to fear of judgment or shame, and many times this can lead to life impacting decisions being made.

MINISTRY IMPACT

Vision Statement

Richland Pregnancy Services desires to establish Richland County as an abortion free county through education, support and services.

Pillars of Service

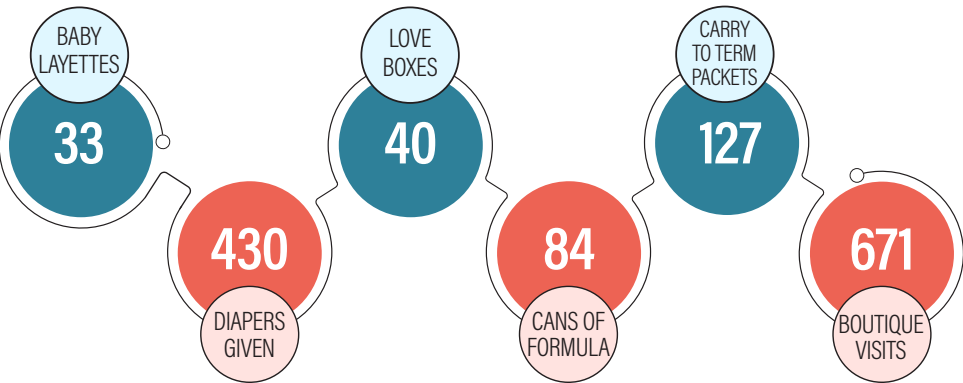

The Pillars of Service guide how Richland Pregnancy Services supports life and serves our community. By educating youth, empowering men and women to choose life and grow as confident parents, and providing compassionate support to those facing unplanned pregnancies, we work toward one clear goal: an abortion-free Richland County.

Material Blessings

Financial concerns often impact unplanned pregnancy decisions. RPS helps ease that burden by providing support and essential resources.

*Isabella was a sweet, timid girl with little dating experience when she came to RPS. She was living with her father when she discovered she was pregnant, and he didn't take the news well. Through the course of events, Isabella broke up with the father of the baby but chose to carry her baby to term as a single mom. She moved in with her mother who said she would support her pregnancy. Isabella enrolled in the Mom-to-Mom program and began meeting with me. We covered all the typical pregnancy, baby, and toddler videos as Isabella was eager to learn. We discussed healthy relationships, managing money, how to buy a car, eat healthy, co-parenting & growing in her faith. We started doing bible studies and it's been a joy seeing her blossom into a mature young woman and a wonderful, loving, wise mom.

ANNUAL FUNDRAISING EVENTS

Financial supporters are essential life-affirming partners that help make free services possible. Every year Richland Pregnancy Services hosts three fundraising events that generate a substantial portion of the funds to supplement the individual and church support received regularly throughout the year.

\$34,322.25 FUNDS RAISED
40 PARTICIPATING CHURCHES

RPS invites churches to participate in the Change for Life baby bottle campaign anytime between Sanctity of Human Life Sunday (January) through Sanctity of Human Life month (October). The symbolic baby bottles create a valuable link from RPS to our church partners. Each church increases awareness while raising funds.

\$37,287.81 FUNDS RAISED
244 REGISTERED WALKERS

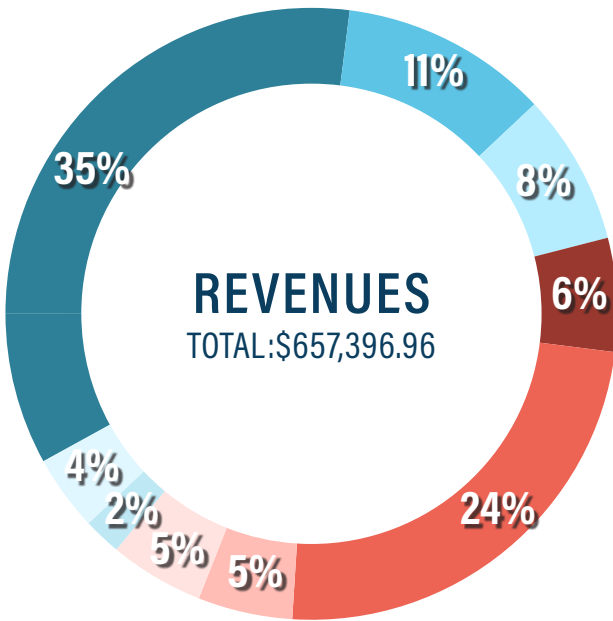

The annual Walk for Life takes place every June and is a fun, family-friendly way to support Richland Pregnancy Services. Walkers can participate individually or as part of a family, church, or group — all to help raise funds for RPS. The walk successfully began downtown at Mansfield's Central Park.

\$175,804 FUNDS RAISED
502 ATTENDED

The annual fundraising Gala is hosted by Richland Pregnancy Services in order to raise needed funds for the ministry. This is the ministry's largest fundraiser. It is also an opportunity to celebrate the work being done by providing ministry updates from our leadership and offering a special keynote address. In 2024 we welcomed Dr. William Lile, who spoke on personal successful experiences with the Abortion Reversal Pill.
