has a story.

Help make sure  
that story is written.

# Change for Life

**Support the life-saving work of Richland Pregnancy Services  
by filling a baby bottle!**

Nearly half of all pregnancies in the United States are unexpected, and 4 in 10 of these end in abortion.

We are on a mission to reach and serve those facing an unplanned pregnancy in our community with compassion and the hope that only Jesus can give.

**Will you join our life-saving mission today?**
