**Richland Pregnancy Services** is a Christ-centered ministry speaking life and hope to women and men facing an unplanned pregnancy in our community.

***"I have come that they may have LIFE, and that they may have it more ABUNDANTLY." John 10:10***

Since 1987 RPS has introduced moms and dads to their baby for the very first time through free pregnancy testing and ultrasound made possible by your partnership with RPS.

With your support, Richland Pregnancy Services continues to provide services to support women and men facing pregnancy decisions, including: ***Parenting groups, Mom-to-Mom and Dad-to-Dad Mentoring, material support through the Boutique, STD testing, abortion recovery and Risk-Avoidance (abstinence) education in local schools.***

All services are provided FREE, regardless of income.

RPS accepts no government funding  
and relies on the generosity of individuals, businesses and churches.

Will you join the **life-saving** mission of Richland Pregnancy Services today?
